El Gouna, Red Sea

El Gouna is a fully-fledged, complete resort town on the Red Sea coast located 22km from the nearby Hurghada International Airport and a short flight from Europe. With a plethora of real estate options, the town is home to over 20,000 full time residents. El Gouna offers all the services and amenities needed for comfortable living and hassle-free holidays. 10km of beaches, 16 hotels, an 18-hole championship golf course, world-renowned spa outlets, endless leisure and sports facilities, a marina with a beautiful harbor town, and great weather welcome guests all year round.

The **marina** basins are host to the best dining and shopping options in town making this a favorite dock on the Red Sea.

Kitesurfing, diving, golf, and many other sports for the entire family are available all year round.

Signature waterfront **homes** available to buy or rent feature a variety of architectural styles and locations.

An **eco-friendly** destination, our caring community continuously strives to preserve and protect its natural environment.
